

Design & Marketing Services

As we all know, we live in the fast moving an age of Technology & Globalisation This means that the image and message that your company portrayed even 5 years ago may now be out of date.

We at **TPS** will assist you in developing an updated identity for your business, our integrated approach, energy & enthusiasm will ensure that our experts design & produce cost effective proposals, We will also ensure that the transition from old to new runs as smoothly as possible.

We excel at providing our clients marketing and communications services of the highest quality, our highly experienced multi-discipline team of experts guarantee to take client aspirations and to transform them into reality, adding creative ideas to enhance the end goal.

We work with large and small companies, either with or without marketing staff, developing creative, effective and wholly relevant marketing strategies and communications to deliver long-term growth.

Our Vision

To be the catalyst for Inspired Marketing Thinking in client companies.

Our Mission

This is achieved by challenging the status quo, providing highly developed and relevant planning, all supported by creative and innovative marketing communications. All this is delivered with a laser-precision focus on achieving results for our clients together with an excellent return on their investment.

Inspired Thinking is at the core of all our work. This ethos permeates through everything that we do.

Our Services

By partnering with our clients and remaining personally involved in their organisations, we work with them to build their businesses and increase the value of their brands by delivering strategy, planning, and marketing communications.

We create advertising and promotional campaigns which deliver precision messaging to highly targeted audiences.

We generate the most effective impact for our client's brands, thus increasing their exposure and understanding to their target audience.

We provide business development and direct marketing programmes with the purpose of helping the leaders and owners of companies better their marketing and lead generation aspirations.

We recommend and deliver only solutions which we know will deliver the right result, and we work very hard at doing this right; right for the client and right for the market.
